Proceeds from this raffle will help to pay the veterinary bills for a special greyhound named Oakland Son, known to us as Von. Von is a 3 year-old, tall, brindle greyhound who recently sustained a career-ending injury in West Virginia. He has had two orthopedic surgeries – the first one on Dec 23, 2009 and the second one on January 12, 2010. Von will be available for adoption once his leg heals – most likely by the end of February.
